20 SECONDS WITH THE WAZARENS

In all Ills dispensations God is at work for our good, In prespecity He tries our grattings; in medicarity, our contentment; in miderials, our submission; in darkness, our faith; under teroptation, our steadfastness; and at all times, our obedience and trust in Him.

-Amenymous

LETTER TO THE EDITOR

Laor. Prince Souvacah Self Help Book-care up to 10 May I again ofter information Dear Sir; Phinims. All day Saturday the cays without an M. D. and train- to your readers regarding the

ready smile for the American vi- after we leave. Next Friday we legislation (and humane care) winter, the nailing down of all sitors Sunday morning was like leave for 2 and one half weeks and apaying areas, there is obvi- the roofing and then painting one of our Sabbath mornings back training in Indian villages. We ously not too much I can offer all the metal roof would keep in the countains of Maine-the return, discuss the past two in the way of help to the person that siright and new shingles on first light of dawn showing over weeks, get classes on fish and concerned about any of the other the cupols would do for this follower.

I would be glad to have anyone contact me by phone or letter find out how much paint was expressing their views on exist. needed he found the hatch cours ing legislation for protection of gone and could find no trace of animals, as well as with sug- it. gestions for improved legislation. FOA is not a untivivisectionist organization. We do wish to assure that at all times. maximum of concern is exhibited for animals through humane care thandling, shelter, feeding, etc i

FOA has funds available to assist pet owners, who could otherwise not afford it, in getting their pets spayed and neutered. We have a very deep concern about the estimated more than 25,969,900 dogs and cats for whom there are no homes in this country, and whose breeders exhibit little concern for their welfare Did you know that there was a period in world history when in-Juring or hurting or neglecting a cat was deemed a crime, and a source of extreme bad luck to the owner-that also cats were idolized and considered possessed of special powers-that their own-

True there rever hi time in this country when so freely day and night are come tood dealers, and pet suppliers. As FOA volunteer worker ! There are a few jobs here, and all attest to the millions do not have funds available to Mrs Dictioned Restern's ties PAA Cities than that the only spent on pets to say nothing of help people except for span a the first first and blee Four a vers are thre highling sexcellent those proud owners who have and then only to those establish Or ward visited Mos. Buddlets this years or construction Both show spinish and participate in ing their eligibility for assistance shows from coast to coast and ranyone in modest financial ...
